 - Classroom style
 - A room for 70 for plenary
 - A room for 20 for WG1
 - A room for 35 for WG2
 - A room for 20 for WG3
 - A room for 20 for WG4

Zhenzhuang Guest House

- It was first built in 1936 and served as the mansion of Mr Long Yun, the then Yunnan Provincial Governor.
- The special historical background endowed it with profound cultural connotations.
- Natural and cultural scenery coexist in harmony, which makes it unique in Kunming.
- It has been an important place for government affairs ever since the P.R.C established of China.

Which Theme is better?

- New Era of Interoperability: Metadata Registry for SOA ,Cloud and Semantic Computing
- Metadata standard for web services
- Metadata for web services interoperability
- New Era of services Interoperability in the real cloud
- New era of metadata standards for web services or cloud or Linked Open Data
